FAVORITES IN THE FUTURITY. LONDON IN FEAR.

Morello, Lady Violet and Lovelace Most Thought Of.

The Truck is Heavy and the Time Will Be Slow.

SHERPSHEAD BAY RACE TRACE, Aug. 27. From the present outlook the Great Futurity Race will be run in the rain. Duli leaden

The track is feticek deep with mud, and although men are kept harrowing it all the time it will be in very poor condition

Eundreds of men are busy putting every-bing in readiness to entertain the huge crowd that will come to witness the great struggle between the youngsters.

The colts this year are far from giving the promise of the magnificent array that faced the starter last season. The youngsters that have shown themselves to be in the first divithe post are very evenly matched so far as cholera at the Gravesend Hospital.

It will be a sharp struggle, and the one that es the wire a winner will at least know e has been racing.

Owners and trainers came down early and took a look at the muddy track. Some walked will be kept by all the medical and sanitary away well satisfied, others saw the chances of their well-trained charges fading away. The first-named set was Frank Van Ness, owner and trainer of Morello, the most admired of candidates, and the great jockey, Jimmy McLaughlin. Van Ness walked ou on the track, and, looking up the long stretch smiled to himself with the remark, " I'll win

PAT MALLOY, JR. The track will just suit the dashing son of olus-Cerise, and the muddler it gets the betbeen going on all Summer long under the direction of Mr. Hoyt, the scenic artist, and a large part of it had been completed.

The work of preparing this scenery has been going on all full summer long under the ter. After having a look at the track Van Ness direction of Mr. Hoyt, the scenic artist, and and McLaughlin went over to Gravesend, where the great colt is stabled, to give him

all partial to the mud, and can hardly be called street side.

The stage was closely hung with drops, and not look ivery favorable, though Albert not look ivery favorable in the likes on this side of the ocean.

The quarantite official were fully prepared to find some of the 415 atteerage passengers to find some of the 415 atteerage passengers to find some of the
